

# ELBIT SYSTEMS & ISRAEL?

## WHAT'S THEIR CONNECTION?

(Israel the creator's spirit Howard 88)

In reaction to the Six-Day War, FRANCE:

SELF-SUFFICIENT IN THE PRODUCTION

BIRTH of the STATE OWNED COMPANY ELBIT SYSTEMS

ELBIT produces cluster munitions = BYPASSING the INTERNATIONAL CONVENTION that prohibits their production & use

= ILLEGITIMATE AND DISASTROUS ACTIONS

(economic Critique 2017)

ELBIT =

- Ranked among world's TOP 50 Weapons manufacturers
- 8 largest weapons EXPORTER in the world
- MAIN SUPPLIER TO the IOF (ISRAEL OFFENSE FORCE)

(Campaign "STOP ELBIT" BDS)

50% of Israel's TOTAL EQUIPMENT

85% of its air FORCE'S DRONE EQUIPMENT

85% of its land FORCE EQUIPMENT

(CAL STRONG - 2023)

ELBIT SYSTEMS is involved in the ISRAEL OCCUPATION of Palestinian territories and the ongoing genocide.

Israel would not have been able to:

- OPPRESS
- DISPLACE
- DISCRIMINATE

The PALESTINIAN POPULATION

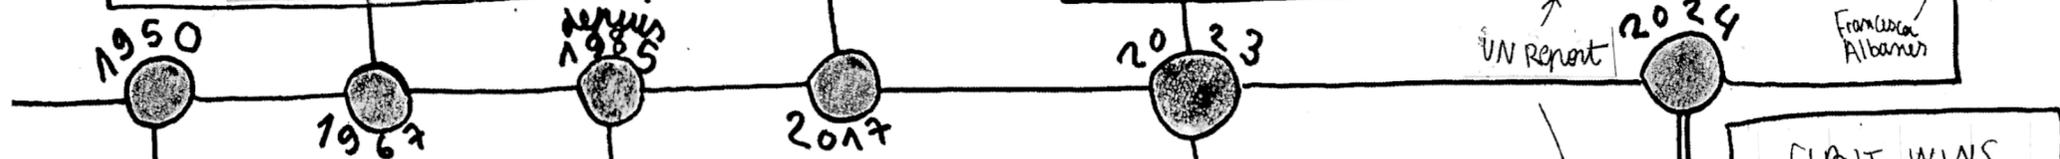

Without the support of dozens of companies like ELBIT they help to MILITARIZE and ENCOURAGE Israel's illegal presence.

= RACIAL COLONIAL CAPITALISM

And it's OK if ISRAELI company challenge

And then we let Scyoteq supply screens for drones? They not really weapons, are they?

BUT we are Israel's main supplier of gunpowder

- 1- we send to US
- 2- they do what they want with it

= UNCERTAINTY ABOUT THE FINAL RECIPIENTS

= DUAL USE COMPONENT

continue to transmitt military equipment though our territory to Israel despite the military offensive.
